

SOL • REV

Where problems are solved and dreams are born.
Helping you strategize, manage change and become more resilient.

SPECIAL COVID RECOVERY WORKSHOP

As we all think about the COVID reality and the post-COVID potential, we'd love to talk to you about your plans, how we can help, and get your thoughts on some of our ideas. We have developed a one-hour session to talk to people at organizations about thriving in a post-COVID world. We are now offering the session to a limited number of charitable organizations **free of charge!**

The collaborative one-hour session is:

- An open discussion about your organization's strengths and weaknesses
- An exploration of what the opportunities are going forward
- Figuring out what you really need to be prepared (from getting your board onside, to building your digital capacity - change will take energy!)
- Start · Stop · Maintain: Looking at what you need to start doing, continuing doing and stop doing (and possibly not bring back!)
- Getting to board, staff and other stakeholder engagement in the process

ABOUT SOLREV

SOL is derived from "solution" and our innate desire to solve challenges.

REV is "to increase the running speed."
REV is also derived from the French "rever" or "to dream."

SOLREV captures our promise to dream with you, complementing your skills and resources, to deliver solutions to help you achieve your social impact goals.

Founded by Elissa Beckett and Samantha Jones, SOLREV exists to partner with organizations ready to lead, change and grow. Bringing a combined 50 years of leadership, management and fundraising experience across sectors to make an impact for you and your organization.
